To Whom It May Concern:

The Waimanalo Hawaiian Homes Association is a non-profit 501c3 organization and is in support of Sustain Hawai'i and their healthy food incentives to benefit our Native Hawaiians on the homestead. The purpose of our Association is to promote the welfare of our members in home, school, church and community and strive to help raise the standards of home life for our members.

Our Association has partnered and supported Waimanalo Health Center and Ke Ola Mamo on several initiatives and health related fairs. Our Homesteaders also receive subsidized services provided by these entities. We look forward to collaborating and partnering with Sustain Hawaii to improve the health of our community.

Mahalo,

Kamakana Aquino, President

Moana Akana, Secretary
